It's FREE! **Business to Business Marketing: Chamber Member Discount Program**

The Hawai'i Island Chamber of Commerce's popular Chamber Discount Program gives Chamber members the opportunity to attract business from fellow members by offering them special discounts or other incentives with the presentation of their Chamber membership cards.

It is a great way to make other Chamber members aware of your business and products or services and gain their loyalty as a fellow Chamber supporter.

Once updated, the list of business offers will be provided to all Chamber members via our newsletter and they will be encouraged to do business with fellow members whenever possible.

We hope that you will consider participating in this program by filling out this form and returning it to the Chamber office .

You may fax or mail it, but it should be signed by the individual authorizing publication of this offer on behalf of your business. Please contact the Chamber if you have any questions. Discounts will be good from July 1, 2015 to June 30, 2016 unless specified.
