

The HICC Economic Development Committee presents

# Hawaiian Telcom

HAWAII'S TECHNOLOGY LEADER

## Hawai'i's Digital Transformation

As Hawai'i's Technology Leader, Hawaiian Telcom is committed to helping local businesses keep up with the rapidly changing pace of technology. Digital technology drives efficiency, empowering businesses to grow. Hawaiian Telcom Vice President Business Sales and Product Marketing Paul Krueger will share how the company has transformed over its more than 130 year history of serving local businesses and how its next generation services and initiatives such as the new SEA US transpacific cable support the Hawai'i Island business community.

Don't miss this opportunity to learn how your business can seize new opportunities and thrive in the global digital world. There will be giveaways and prizes.
