The firm is celebrating 35 years in the business in 2018. The company started as a result of accounting firm Peat Marwick (currently known as KPMG, a Big 4 international accounting

firm) shutting their doors in Hilo. Gregg Taketa, Brian Iwata, and Janet Hara picked up where Peat Marwick left off in Hilo. In addition to providing quality service, Taketa, Iwata, Hara is one of the larger, if not *the* largest, neighbor island accounting firm. They are also more technologically advanced relative to other firms both of its size and larger.
