

The HICC Economic Development Committee presents

Ke Ala I ka Piko

Moving Forward by Moving Center, Finding Balance with Maunakea

Gregory Chun, Ph.D.

**Chair, Maunakea Management Board and Senior
Advisor to the University of Hawai'i Board of Regents,
President, and UHH Chancellor on Maunakea**

To a person we all agree that Maunakea is special and it is a privilege to engage in ones practice on Maunakea, no matter what that practice may be. It is also clear that finding balance between many competing interests is important to maintaining what is special to all of us about

Maunakea. In this talk, Dr. Chun will discuss the University's path forward in finding piko within an increasingly challenging social and political environment that requires not just action but new ways of thinking about stewardship, planning, engagement, and decision making that honor and safeguard this wahi pana for generations to come.
